

Statement of John Bell
Candidate for Steering Committee
Estates, Trusts, and Probate Law Community

Though newly-barred in 2024, I have a deep interest in bringing estate planning to DC's underserved communities that was manifest in my two semesters of independent work at law school: in 2022 and 2023, which included studying and promoting Statutory Will Legislation. I volunteer at the Probate Court. I am the creator of www.willsprobono.org. With years of experience in the finance world, I have broad perspective on capital markets, tax and accounting, and investing.
