

Statement of Frank Maley
Candidate for Steering Committee
Early Career Lawyers Community

I am an Attorney Advisor at the Federal Maritime Commission, a graduate of a joint degree program through the George Washington Law School and the Elliott School of International Affairs, and a recent term law clerk for the Seventh Circuit and the Southern District of Indiana. While in Indiana, I served as a board member at the Joseph Maley Foundation.

As I set down my roots in DC and continue to grow my involvement with the DC Bar, I am excited for the opportunity to serve the Early Career Lawyers Community as a steering committee member. As a DC educated attorney who started my career outside of the district, I appreciate the difficulties of immersing yourself in a legal community. If elected, I would strive to further increase the visibility of the Community as a forum to foster connections among early career lawyers and between the greater DC legal community.
