The Family Law Assistance Network is a partnership of three **independent** legal services providers. If you have a D.C. family law case, you may be eligible for **free, confidential** family law information, legal advice, brief services, and/or limited representation from a lawyer from ONE of the three organizations. We do not provide full representation. **Your information will NOT be shared** with the other two organizations or their lawyers.

Services are not guaranteed. We reserve the right to refuse service for any reason without prior notice.
