COMMENT TO 2020 TEMPORARY AMENDMENTS

New section (c) provides explicit authority for the court to conduct proceedings by video teleconference or telephone conference if the Chief Judge has issued an order under D.C. Code § 11-947 (2019 Supp.) based on COVID-19 and there is a case specific finding. The section is modeled after provisions in the Coronavirus Aid, Relief, and Economic Security Act, Pub. L. No. 116-136 (CARES Act), § 15002 (2020), and resulting district court orders. The CARES Act permitted the Judicial Conference of the United States to find that emergency conditions materially affected the functioning of the federal courts or a particular district court of the United States. The Chief Judge of a covered district court could then authorize the use of video teleconferencing or telephone conferencing for additional proceedings with certain conditions.
