

Statement of E. Regine Williams
Candidate for Steering Committee
Estates, Trusts, and Probate Law Community

Dear Colleagues:

I am super humbled to be running to be a member of your steering committee for the Estates, Trusts and Probate Law Community. During the past three (3) years, I have enjoyed working with various members of our bar in order to bring collaborative and fresh programming to our members. As part of the steering community, I enjoy meeting and interacting with subject matter experts and bringing them to share their insights with our members. This year, I assisted with identifying some exceptional speakers for our programs including our practical guides to deeds and filing federal tax returns. I really enjoy putting on practical and in-depth programs to serve our entire community, from the newly admitted to the more learned attorneys.

Please vote for me so that I may continue doing this work to improve our profession and our community. Please reach out to me if I can be of service.
