

Statement of Edith K. Thomas
Candidate for Steering Committee
Labor and Employment Law Community

With over 20 years of experience as an attorney, I offer extensive insight into our evolving legal landscape. Practicing in Washington, D.C., is uniquely challenging due to its blend of federal oversight and local employment law dynamics, which demand innovative legal strategies and impactful advocacy. To best serve our clients, timely and relevant information is essential. I envision a Communities Steering Committee that supports members through focused educational initiatives and networking opportunities.

Since 2008, I have practiced almost exclusively employment law, and during that time, I have served in various volunteer roles, including as a Board member of the Texas Employment Lawyers Association, where I helped develop and present CLE programs. As we face sweeping changes, I am committed to ensuring that our community is well-prepared to meet emerging challenges. I respectfully ask for your vote so that, together, we can empower our legal community with the information it needs.
