

**Statement of Dionne Joemah**  
**Candidate for Steering Committee**  
**Real Estate, Housing, and Land Use Law Community**

It is with great enthusiasm that I submit my candidacy for the Real Estate, Housing and Land Use Community.

Currently, I serve as general counsel at the DC Green Bank. If elected, I will bring over 20 years of legal experience in financial services, affordable housing, real estate, and green energy, working in both the public and private sectors.

Over the years, I have benefitted from the wisdom, kindness, and generosity of senior legal professionals. It is my hope and desire to create a strong community between the bar and those we serve including our colleagues, future leaders in the profession, non-profits, small businesses, individuals, and families in the District of Columbia.

I am a proud graduate of the Howard University School of Law and North Carolina A&T State University.
