

**Statement of E. Peter Selimos**  
**Candidate for Steering Committee**  
**Environment, Energy, & Natural Resources Law Community**

I am an environmental litigator at Beveridge and Diamond, P.C. with an active pro bono eviction defense practice in D.C. If elected, I will prioritize organizing both virtual and in-person events on diverse topics valuable to EENR members. Also, I would continue supporting the D.C. Bar's pro bono activities. I believe the D.C. Bar should work for its members, and I am eager to apply my enthusiasm and energy towards working for you. I hope to be given the opportunity to serve.
