

Statement of Eric Tarosky
Candidate for Steering Committee
Early Career Lawyers Community

I am excited to be seeking election to the Early Career Lawyers Community Steering Committee during its first official election cycle. I have had the pleasure of serving on the committee for the last 1.5 years, helping to grow the ECLC as one of the Bar's newest communities. I have enjoyed my time working with the rest of the committee to plan and execute engaging educational, social, and pro bono events for our rapidly growing membership. I would be grateful for the opportunity to continue this work while also endeavoring to expand our programming and strengthen member engagement. With your support, I will work to ensure that the ECLC remains a valuable resource for members of the Bar in their first ten years of practice.
