

**Statement of Toni Michelle Jackson
Candidate for Steering Committee
Litigation Community**

I am grateful to the Community for giving me the opportunity to serve as the Chair. We have witnessed significant interest from members across all areas of our community, and we are actively involved in the work of the DC Bar. In the upcoming term, I aim to increase participation from government attorneys on the committee. We will maintain our commitment to offering events and content that keep us at the forefront of legal practice and relevant to both public and private litigators.
