

Statement of Lisa Lyhyun Park
Candidate for Steering Committee
Corporation, Finance & Securities Law Community

I am excited to be considered for a Steering Committee Member position on the Corporate Finance and Securities Committee. I hold an LLM degree from GW Law (2023) and worked as an Associate at Kutak Rock LLP, where I focused on bond offerings and financial and trust agreements. Prior to obtaining my LLM, I gained extensive experience as a Portfolio Manager at the Korea Development Bank and KfW IPEX Bank in Germany, where I was responsible for drafting numerous contracts and managing financial portfolios. Since last year, I have been engaged in numerous DC Bar events and initiated and co-managed the M&A speed networking event last January with Michelle Heisner, a partner at Baker McKinsey. It was a wonderful experience to give back to the community with my volunteering. Furthermore, I believe my diverse background in legal practice and financial institutions positions me to contribute effectively to the Committee's work.
