About the President's Reception

The D.C. Bar Pro Bono Center's Presidents Reception is the annual event that honors the incoming President of the D.C. Bar and advances critical legal services for District residents who face legal challenges without the means to afford an attorney. The evening brings together leaders from the legal community for networking opportunities at an open-bar cocktail reception and brief celebratory remarks. Tickets and sponsorships for the Presidents Reception support the Pro Bono Center's array of legal clinics, court resource centers, volunteer attorney trainings, and full representation cases that provide people with access to justice.
